## **Personal Commitment**

I have already read *Passenger Notification Letter* and understand the relevant regulations in the guideline *Opinions on Punishing Illegal Activities and Crimes of Obstructing Frontier Health and Quarantine by Rules of Law* and relevant requirements of *Entry/Exit Health Declaration Form of the P.R.C.*. I declare that within the past 72 hours, I have not taken medications for fever or cold.

I declare that I will truthfully report the health conditions and have not been identified by medical institutions as confirmed or suspected patient of COVID-19. I don't have symptoms of fever ( $\geq 37.3^{\circ}\text{C}$ ), dry cough, fatigue, headache, etc. I have not take antipyretics or other medicines to lower down the temperature. If I make false declaration, I will bear legal responsibility in accordance with Chinese laws and regulations of relevant departments.
