Passenger Notification Letter and Personal Commitment for Beijing Inbound Passengers

Dear GSA, authorized agents,

In accordance with the strict requirements of joint prevention and control mechanism of the entry into Beijing, and to cooperate with the prevention and control of the import of COVID-19, relevant matters are hereby notified as follows:

1. Passengers entering Chinese border through other ports in China and enter Beijing on domestic flights shall fill in the *Personal Commitment* (see attachment 1).
2. Agents should inform the passengers to read and understand the *Passenger Notification Letter* (see attachment 2) via video, bulletin,

written material, etc., and to truthfully fill in the *Personal Commitment* before boarding.

3. Agents should take the initiative to inform passengers of the relevant laws, regulations, policies, requirements and to truthfully declare the health conditions, fill out the health statement cards and *Personal Commitment*. Agents should attach importance to notify passengers the legal liability of acts including not reporting symptoms like fever, cough, fatigue or diarrhea, not reporting travelling or residing history in countries and regions in outbreak of the epidemic and taking antipyretics to conceal the symptoms.

Attachment 1: *Personal Commitment*

Attachment 2: *Passenger Notification Letter*
