

Announcing our new interline partnership with **JEJUair**

Dear Travel Partner,

We are pleased to announce a new interline partnership between Jeju Air and Air India, aimed at enhancing connectivity between India and South Korea. Through this two-way interline agreement, both airlines will provide travellers with more convenient options, seamless connections, and expanded networks.

Under this partnership:

✎ Air India customers gain access to Busan and Jeju in South Korea, and over 40 international destinations via Seoul.

✎ Jeju Air customers gain access to our key Asian gateways, including Bangkok, Denpasar Bali, Hong Kong, Singapore, Manila, and Tokyo.

We thank you for your continued partnership and support and look forward to bringing our customers even more seamless travel experiences.

Warm regards,
Team Air India
